Independent Auditor's Report

May 11, 2017

To the Board of Directors
Cook County Community Radio
D/B/A WTIP-FM
Grand Marais, Minnesota

We have audited the accompanying financial statements of Cook County Community Radio D/B/A WTIP-FM (a tax-exempt organization), which comprise the statements of financial position as of December 31, 2016 and 2015, and the related statements of activities, functional expenses and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Cook County Community Radio D/B/A WTIP-FM as of December 31, 2016 and 2015, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2016 AND 2015

NOTE A – SIGNIFICANT ACCOUNTING POLICIES

Organization

Cook County Community Radio D/B/A WTIP-FM is a tax-exempt Minnesota corporation operating a public broadcasting radio station in Grand Marais, Minnesota. The Organization is a charitable organization exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code. Revenues are derived from public support and membership support. The Organization provides local programming.

Basis of Accounting

The financial statements have been prepared using the accrual basis of accounting. The financial statements have been prepared in conformity with the standards set forth for not-for-profit organizations.

Financial Statement Presentation

The Organization is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted, temporarily restricted, and permanently restricted.

Property and Equipment

Property and equipment over \$1,000 is stated at cost less accumulated depreciation. Depreciation is determined on the straight-line basis over the estimated useful lives of the assets, which range from 3 to 40 years. When assets are retired or otherwise disposed of, the cost and related accumulated depreciation are removed from the accounts, and any resulting gain or loss is recognized in income for the period. The cost of maintenance and repairs is charged to income as incurred; significant renewals and betterments are capitalized. Transmitter tower and equipment are recorded at cost, if purchased and at fair market value at date of gift, if donated to WTIP.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the organization to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual amounts could differ from those estimates.

NOTE A – SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Income Taxes

The Organization is exempt from income tax under Section 501(c)(3) of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. Management has analyzed the tax positions taken by the organization, and has concluded that as of December 31, 2016, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Organization is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

In-Kind Contributions and Donated Personal Services of Volunteers

In-kind contributions are recorded as revenues in the Statements of Activities. In-kind contributions consist of local support for marketing.

The value of personal services of volunteer has not been reflected in the financial statements as no objective basis is available for valuation.

Accrued Vacation

Accrued compensated absences have not been reflected in the financial statements as they cannot be reasonably estimated.

Cash Flows

Cash and cash equivalents are defined as checking and short-term investments with maturities of less than one year for purposes of the Statement of Cash Flows.

Functional Expenses

The costs of providing various programs and other activities have been summarized on a functional basis in the Statement of Activities and in the Statement of Functional Expenses. Accordingly, certain costs have been allocated among the programs and supporting services benefited.
